Forecast for Wednesday 04 Sep 2024

Weather: A bright start with some sunshine initially. Cloud will tend to bubble up through the morning bringing the risk of a few showers, some of which will be heavy from late morning and into the afternoon. Best of the sunshine in the second half of the afternoon as showers tend to clear. Feeling rather chilly in fresh summit winds.

Chance of cloud-free hill tops above 700m: 90%

Low cloud and visibility: A few patches of cloud around 700-800m in the early morning, otherwise cloud bases above summit level. Visibility will be generally excellent, but falling briefly in showers.
